In any case, we will email it to you.

We need to know:

- Things **working** to keep it as it is.
- Things **not working** to improve for the next editions.
- Make it you happy? Was worthy?

METADDEV

The background features a dark, stylized illustration of a cityscape at night. A prominent lighthouse on the right side emits a bright beam of light that illuminates a circular target or star in the dark sky. The city below is depicted with various buildings and structures, including a tall, ornate tower. The overall color palette is dark, with highlights from the lighthouse beam and the orange text.

Thank you!

See you next year!
